Subject: CDC comments on arbovirus memo
Attachments: Comparison CDC comments_WS.docx

Hello Cassie and Chris,

I am attaching a clean version of the arbovirus memo that only contains CDC's comments and my initial thoughts. There are only a handful of comments and I think they are overall very useful.

Have a look and let me know what you think. My plan is to get back to CDC today just to let them know that we plan on getting back to them soon.
